

## **Exercise 7**

The exercises are not mandatory and need not be handed in, but we still recommend them strongly. This exercise will be discussed in the tutorial online on February 3d, 2022.

### **1 Propensity Score Weighting**

Work your way through the the `propensity-scores.Rmd` R Markdown file on moodle. We will make use of survey data from Pew Research that you can also find on moodle.
